

CHAMBER CHATTER

GREATER HAMMONTON CHAMBER OF COMMERCE NEWSLETTER | Vol. 10; Iss. 1 | WINTER 2020

2020 - An "Event-Full" Year

Mark those calendars, because the Chamber has a big year planned

It started off with an outstanding Networking Event with the Vineland Chamber on February 6th, held at the Greenview Inn in Vineland. Almost 100 members of the two organizations attended, enjoying great food and interesting presentations by Vineland's Kathy Farinaccio and our own Gabe Donio of the Hammonton Gazette. (see page 2)

Gabe is seen here highlighting the many family, religious and business connections between Hammonton and Vineland.

CYBER SECURITY

Cyberspace can be dangerous... your business should know why

AMI AtlantiCare Guest Speakers

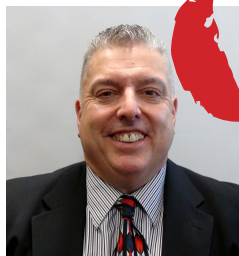

Dharmesh Patel

Mr. Patel has 15 years of Information technology experience in network system set-up and maintenance.

- He revamped Data network wiring and distribution to strengthen Security & Workstation reliability on the Atlantic Medical Imaging Wide area network.
- Provided end-user support working closely with both management and personnel to deliver ongoing support on current hardware and software problems.
- Set up, configured and maintains the Atlantic Medical Imaging network domain and security objectives.

Mr. Patel received his Bachelor of Science Degree from Drexel University.

Frank Dente

Mr. Dente has 25 years of Information technology management experience, which has included System design, set-up, administration and maintenance.

- Managed Network Operations from 1995 to 2008 for several major Casinos & Hotels in Atlantic City and the Bahamas.
- Implemented and manages current IT infrastructure for Atlantic Medical Imaging Radiology practice consisting of 50 + Radiologists, 550 + employees and 14 office locations (2008 to date).
- Built an Information technology department, which removed all dependency from previously outsourced solutions.
- Installed Cisco and VM Ware network infrastructure inclusive of WAN/LAN network switches, fire walls, and security appliances, Servers, Storage Network and PC's.

Mr. Dente received his Bachelor of Science Degree from Florida Atlantic University.
